Commissioner for Patents:

Page 2 of the Notice of Allowance dated January 9, 2008 provided the Examiner's Statement of Reasons for Allowance. To the extent that there are differences between the language used by the Examiner in the Statement and the language recited in each and every claim, it is noted herein that it is the language in each and every claim that is controlling. Furthermore, the Statement characterized certain features as being distinctive over the references on record. It is again noted herein that the claims are allowable over the references on record based on the recitations contained in each and every claim, alternatively or additionally to the
